

Gregory S. Downing Introduction

IMPORTANT NOTE: *This is a crucial part of our presentation. Done properly, it establishes credibility and sets a positive, upbeat tone.*

Our speaker today is Gregory Downing, a national bestselling author, entrepreneur, and noted authority on entrepreneurship and real estate investing. He has spoken to hundreds of thousands, across the nation, in nearly every state of the United States.

Representing Whitney Education Group, Tigrent Learning, and speaking across the nation for Robert Kiyosaki, Gregory has his finger on the pulse of America and knows what you are facing as you search for ways to make a difference in your retirement, your life, and the quality of the lives of future generations in your family.

Gregory is the author of *Entrepreneur Unleashed*, and his upcoming titles will include books on real estate investing, creating a generational legacy for your family, and building entrepreneurial networks and communities of people working towards common goals.

Gregory lives in Crystal River, FL, and is the proud father of three children, Greg, Jr., Kacey, and Morgan.
